

EXCURSION TO PARK CITY

Explore the old mining town of Park City turned ski resort, Olympic venue, artists' heaven and vacation destination. Our afternoon excursion will give you a peek into all of the above. Our only worry is that some of you will want to just stay there and not catch the bus back 😊. Plans for the afternoon include:

12:30 pm: Grab your lunch and head for the bus. Park City is a 1 hour 15 minute ride through scenic Utah views.

2:30 pm: visit Utah Olympic Park. Upon arriving we will browse in the Visitor's Center, enjoy the two free museums, short videos, and views of the Olympic venues. The 2002 Winter Games were held in Utah and the venues are kept in good condition for year-round training. Maybe we'll see some ski jumping (they land in the swimming pool!).

3:15 pm: Back on the bus we will be joined by a tour guide for an informative 45 minute tour of the Olympic Park. This will take us up the mountain to the start of the Nordic jump and Bobsled track (accessible only by special tour).

4:00 pm: Short ride to Deer Valley Ski Resort. We'll take a fun ride up the mountain on the Funicular (gondola on tracks). At the top we will sit and enjoy the view and perhaps a cool drink. Looking across the valley we can see some of the homes of the rich and famous.

4:30 pm: Explore the old mining town of Park City. This short 5 block-long Main Street has over 100 unique art galleries and boutiques for you to browse, restaurants and sidewalk cafes galore (choose one for your dinner), a museum to take a look back in time (\$8-10 charge), a free trolley with hop-on-hop-off service (hint: ride the trolley to the top of Main street and walk down—it really is a hill). You can even snap a selfie at the historic Egyptian Theater, a prominent Sundance film venue. For those of you who want to see a little more of the mountain views, there is a fun chair lift ride that goes from the lower end of Main Street up to Park City Mountain Resort (inquire at lift for price—not determined at this time). Hang on to your flip-flops!

7:30 pm: Meet back at the bus for the ride back to Ogden. Sleep fast and be ready for another great calligraphy class. Bus will be in the parking lot at 7 and leave at 7:30.
